RE: Letter of Completeness – Jones Wald Preliminary Plat

Dear Aaron Hollingbery

The City of Duvall received a complete submittal of the above referenced application on August 25, 2015. You were named as the project contact and will be receiving all city correspondence related to the project. City staff reviewed the application and determined it complete as of September 1, 2015.

The next step will be for the City to issue a Notice of Application for the proposal. The City anticipates issuing the Notice of Application by September 15, 2015, or within 14 days of this Notice of Complete Application. You will be sent a copy of the notice upon issuance. After the Notice of Application has been issued, the City will review your project thoroughly and send you written comments. The City anticipates providing written comments by October 13, 2015.

We look forward to working with you on this project. Please call me at (425) 788-2779 if you have any questions.

Sincerely,

A handwritten signature in blue ink, which appears to read 'Lara Thomas', is located below the 'Sincerely,' text.
