RE: Letter of Completeness – Baisa-Khulon Preliminary Short Plat (SP16-001)

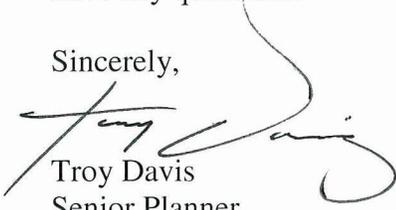

Dear Khulon Naranbaatar:

The City of Duvall received a complete submittal of the above referenced application on April 7, 2016. You were named as the project contact and will be receiving all city correspondence related to the project. City staff reviewed the application and determined it complete as of April 7, 2016.

The next step will be for the City to issue a Notice of Application for the proposal. The City anticipates issuing the Notice of Application by April 8, 2016. You will be sent a copy of the notice upon issuance. After the Notice of Application has been issued, the City will completed the review of your project thoroughly and send you written comments, if any. We hope to have the permit application processed as soon as possible.

We look forward to working with you on this project. Please call me at (425) 788-2779 if you have any questions.

Sincerely,

Troy Davis
