Subject: Review Extension Memo

Hi Mike,

I calculated the number of "review" days by the City and it looks like we will hit 96 review days from the time your application was first determined to be complete until the day of the hearing. This is 6 days longer than what is permitted by the RCWs.

For the hearing record, are you ok with sending us an email or formal letter stating that you are okay with the review period extending 6 days beyond what is required by state law? If so, it would be greatly appreciated.

Sincerely,

Troy Davis, Senior Planner
