Big Rock Sports Park Improvements
SPR16-001
NOTICE OF APPLICATION
September 9, 2016

PROJECT INFORMATION

The following permit application was submitted on August 18, 2016 and determined complete on August 31, 2016.

Name, Description, and Location of Project: *Big Rock Sports Park Improvements*

The owner/applicant, Alana McCoy on behalf of City of Duvall Public Works, is proposing to renovate a portion of the existing fields at Big Rock Park. The property is currently developed as a community park that includes a playground, parking lot, skate-park, sand based natural turf baseball field, natural turf softball field, and natural turf soccer fields. The project area will encompass the entirety of the park, including the perimeter of the existing Baseball outfield for installation of a crushed rock walking path, parking and sports field lighting, conversion of the softball and soccer fields to a vertically drained infilled synthetic turf field, new vehicle parking and maintenance access, and pedestrian surfaces. The multipurpose field will host four soccer fields of various sizes and configurations. The goal of the project is to improve an existing grass athletic field by replacing it with an infilled synthetic turf field, including a new subsurface drainage system. Improvements will occur throughout the park site, with specific improvements, and disturbed area would be approximately 4.82 acres. The total project footprint would be 9.75 acres. The property is located off of Big Rock Road (Parcel #12129700250). The Comprehensive Land Use designation is Public Facilities, and the zoning classification is Public Facilities.
