## SummerStage Concert Series to Kickoff with Ribbon Cutting Ceremony to precede series opener, Jr. Cadillac, on July 11<sup>th</sup>

June 26, 2018

**DUVALL, Wash.** – You know summer has really arrived when you see the crowds crossing Main Street headed to McCormick Park and can hear the pounding of music coming from SummerStage.

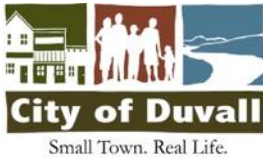

This year's kick off concert is coming up on July 11<sup>th</sup> and will begin at 6:30 PM with a ribbon cutting ceremony for the new stage. You'll want to be there to get a first look at the new stage and to honor all of those who helped make this dream come true.

Immediately following the ceremony; Jr. Cadillac, an iconic classic rock band celebrating its 48th year, will be rocking and rolling through the town with a show packed with jam, classics, old standards and new favorites.

This year's concert lineup promises to be as big as ever with the opening concert by Jr. Cadillac followed up by hometown favorite Austin Jenckes on July 18<sup>th</sup>. The hits just keep rolling after that with a total of seven weeks of music, activities, food & fun that will keep your family entertained all summer long.

Check out [Duvall SummerStage](#) on Facebook or their [website](#) for the full 2018 concert lineup and details.
