2025 Utility Billing Rates

City utility rates are reviewed and adjusted each year as needed to cover the increased cost of operations. In 2025, the base utility rate increases will only affect the city stormwater rates. This increase is necessary to manage citywide regulations and the needs of the stormwater system, which are largely dictated by state and federal requirements. We are committed to keeping up with these obligations to provide the best stormwater management for the environment that we can. We're grateful for the opportunity to do our best for the community and the environment.

Christmas Tree Recycling

Save the date! On Saturday, January 4, 2025, Scouts from Troop 745, Pack 568 and Pack 569 will pick up Christmas trees for recycling within Duvall city limits. Make sure your tree is at the curb by 9am. Suggested \$10-\$20 donation gratefully accepted online: <https://square.link/u/rY5jKClv> or Cash or Check made out to Pack 568. If paying by cash or check, please attach to the front door NOT the tree! Thanks to Kings Trees for their support!

Wonder of Duvall

In writing *The Wonder of Duvall*, Brittany Don uncovered her broader hope: that this book would unite “old Duvall” and “new Duvall” in a shared historical context. The goal is to encourage every resident—whether young or old, newcomer or longtime local, conservative or progressive—to see themselves as part of the fabric of this AMAZING town. The book includes the incredible, frame-worthy illustrations by local artist Janet Villella. By recognizing how involvement shapes communities, we can each play a role in keeping Duvall the rich, wonderful place it has been, is today, and will continue to be.

How to get a copy:

Copies are now available for order at and will be for sale at Duvall City Hall and Duvall Family Drugs. All proceeds benefit the Duvall Historical Society. Thank you for supporting this labor of love—We can’t wait for you to experience *The Wonder of Duvall*!
