## Public Works Week -May 19–25

Join us as we celebrate the people and projects that keep our city running smoothly! On Monday, May 19, help us kick off Public Works Week with ribbon cuttings at the Coe-Clemons Culvert and the Wastewater Treatment Plant—two major projects that represent years of dedication and hard work. Then, bring the whole family to our Touch-a-Truck event on Wednesday, May 21, where kids (and kids at heart) can get up close to the big rigs, meet the crews, and learn more about the essential services Public Works provides. Let’s come together to honor the work behind the scenes that supports our daily lives!

## Show Your Pride Art Show

Celebrate creativity, identity, and community! Join us on May 10 for a hands-on art-making event where you can create a piece that expresses what Pride means to you. Then, come back to enjoy the Show Your Pride Art Show, on display from May 18 to June 16, featuring powerful local artwork that celebrates love, inclusion, and self-expression. Don’t miss this vibrant celebration of our diverse community!

## Rural Transportation Advocacy 101

Join Transportation Choices Coalition, Hopelink, and the Snoqualmie Valley Mobility Coalition for a 'Snoqualmie Valley Rural Transportation Advocacy 101 Workshop' on Friday, June 13th from 9:00am-1:00pm in Duvall.

Every part of our streets, trails, and transit requires advocacy. Whether it's a crosswalk, sidewalk, or bus stop, someone advocated for it! This workshop is designed for people who live or work in the Snoqualmie Valley and are interested in creating transportation solutions that meet the unique needs of our rural cities and towns. Come learn about rural transportation advocacy and practice skills to help support your community's access to safe, sustainable, and equitable transportation.

You will hear from an incredible panel of speakers (to be announced). Then, learn how to strengthen advocacy skills like how to give effective testimony. Space is limited so register early! For more information, contact Lyn McCarthy [emccarthy@hopelink.org](mailto:emccarthy@hopelink.org)
