## MAYOR'S MESSAGE

Dear Community,

It was a great pleasure to have our Big Rock Ballfield groundbreaking ceremony last week. Many of the City Council were on hand as well as representatives from community groups and sports organizations. It is exciting to think that beginning as early as this Fall, our kids and sports teams will have top-quality turfed and lighted playing fields! Thank you again to the community for your support in passing the levy.

There are several key dates I want to make everyone aware of: I am looking forward to our Transportation Town Hall Meeting on May 17<sup>th</sup> (see enclosed flyer). Our City is very aware transportation is a big issue and we hope that folks will turn out. We have representatives from King County, the Washington State Department of Transportation and the Puget Sound Regional Council scheduled to attend. This is because we realize our transportation system needs regional partners and regional solutions. If you've seen the PD speed trailer around town without the numbers lit up, it's because we have been using it to collect traffic counts and traffic pattern data from our city and from traffic that passes through Duvall.

Our annual Duvall Days Festival will be held on June 3<sup>rd</sup> and 4<sup>th</sup> this year, and the events will include a parade, a variety of vendors, the Classic Car Show, the REF run, the Firefighter's Pancake Breakfast, and the fireworks will be returning this year. It's always a fun time for our community!

The Main Street project is still going well and I want to thank you all for your continued patience. The Kennedy Street regrade started this week. This will be disruptive for 4 or 5 days. We know this can be stressful and we have tried to expedite the work and lay out clear alternative routes. This is also a big milestone on the Main Street Project.

I would like to welcome Michelle Hogg to the City Council! Michelle was appointed at our Council meeting on April 18<sup>th</sup> and we all look forward to working with her. Congratulations, Michelle!

Spring is certainly in the air. The trees are blooming and we have had our first few warm days of the year. After a year of record rainfall, I know many are looking forward to some sunny days to enjoy with family and friends.

Sincerely,  
Will Ibershof

## MAIN STREET PROJECT UPDATE

April saw a bit of a transition in our work as we moved out of the underground and focused on curb line, sidewalk grading and installation of cable for our utilities. By the end of April, the big re-grade of Kennedy Drive should be complete. This very steep hill is a grading challenge, as it intersects with SR 203. By the time it is complete, Interwest will have removed approximately 1300 yards (about 100 truck-loads) of material, lowering the road by over three feet in some areas.

With May upon us, our project is a little over halfway complete. Throughout May we're expecting to see a lot of progress from our utilities as they transfer over customers to the new underground system. You should see some wires begin to come down later in the month, with pole removal following shortly behind. Along with that work, we'll have sidewalk pours, installation of the irrigation system and may even see some of the light poles arrive.

One thing to be aware of; we do have one major work activity coming with the replacement of culverts at Thayer Creek, near and on NE 143rd Place. This work will involve a complete closure of SR 203 at that location for over a week. This is tentatively scheduled for mid-July. Detours will be provided around the work area. More information will be shared regarding this work as the details are finalized. Remember, you can get up to date information about our progress on Facebook and Twitter; just look for the City of Duvall!

**CITY OF DUVAL OFFICES  
WILL BE CLOSED  
MONDAY MAY 29<sup>TH</sup>  
IN HONOR OF MEMORIAL DAY**

Come visit the **Dougherty Farmstead** located at 26524 NE Cherry Valley Road.

The Farmhouse and outbuildings are available for touring on Sundays, beginning in May, from 1:00 p.m.-4:00 p.m. Bring the family, plan a picnic, relax, enjoy the view and be a part of history.
