MAYOR'S MESSAGE

Dear Community,

I'm not sure if you are aware but the City is the recipient of an amazing gift soon to be unveiled in Depot and McCormick Park from Ray and Tove Burhen. Ray and Tove are a special couple that have done so much for our City and now they again will provide something for our growing community, a public restroom that they like to call the "comfort station". Soon when you return from the park you will have a restroom with outdoor shower to rinse off before you head home. This is a tremendous gift to the City and we are forever grateful to the Burhen's for it. The City and I want to thank Ray and Tove for their amazing gift! It is expected to be installed within the next three weeks (weather pending). It has to travel over the mountain pass and currently there are weather related limitations. Please check our Facebook page for the install date, it will be very exciting to see!

March is the start of the planning process for our community events. If you are interested in volunteering on one of the many events, from Duvall Days to Sandblast, give the City a call and we can put you in touch with the organizers. If you are new to the community, this is a great way to meet your neighbors and have fun in planning a great event.

Thank you,
Will Iberhof

If you have an interest in helping us, please call or email Kass Holdeman, Community Coordinator, at 425-939-8069 or kass.holdeman@duvallwa.gov

CONCERT OF TRADITIONAL MUSIC OF THE ANDES IN DUVALL

Northwest Heritage Resources is pleased to present a concert performance in Duvall by the very talented traditional Andean musical group, Quichua Mashis. The concert is presented in partnership with the Duvall Cultural Commission and the Ethnic Heritage Council, and is scheduled for 7:30 p.m. on Wednesday, March 12, 2014 at the Duvall Visitor Center, 15619 Main Street NE in Duvall.

The members of Quichua Mashis (pronounced “keychewah mashees”) are Quichua Indians from the Andean mountains of northern Ecuador. Better known as the Inca Empire, the Quichua region of South America covers Ecuador, Peru and Bolivia. The music they share has been passed down through the generations, with children learning as soon as they can hold an instrument. The music of Quichua Mashis reflects the struggle of the Quichua people, their connection to "Pacha Mama" (mother earth) and their spiritual journeys through history.

Many of the instruments are handmade in traditional ways with native materials; bamboo, sheep hooves, goat skins and armadillo shells. Their instrumentation includes flutes, drum, rattle, guitar, bandolin and violin. Quichua Mashis have performed in concerts and festivals throughout Europe, South America, Japan, Canada and the United States. Their lively, beautiful music is enchanting to hear.

All ages are welcome and admission to the concert is a suggested donation of \$5.00. The March 12th concert is funded in part by the National Endowment for the Arts, ArtsWA (formerly the Washington State Arts Commission), 4Culture, and Northwest Heritage Resources.
