This Questions and Answers will clarifications to the above-named project. Bidders shall take this information into consideration when preparing and submitting their bids. The City received three questions prior to the deadline for questions of 1:00 PM on March 3, 2025.

VENDOR QUESTION/CLARIFICATION

The City has received one question/clarification.

1. **Question:** (Paraphrased) Camera Specifications 3B and 3C call for 10x optical zoom and 120x digital zoom. Does 120x zoom suffice?

Answer: Yes, specification 3C should read “120x zoom”.

2. **Question:** (Paraphrased) For references, would a tribal agency work? Would agencies in Oregon be ok?

Answer: Yes, I will make General Specification 1F more lenient to include any agency (including Tribal) within Washington or Oregon.

3. **Question:** (Paraphrased) Does a 2 hour virtual training from the manufacture suffice if the supplier is on site?

Answer: Yes, as long as someone is on-site in addition to the virtual training.
