

CITY OF DUVALL

On-Call Consulting Services - PW and DCD

RFQ Questions / Answers #1

ISSUE DATE: April 1st, 2022

SUBMITTALS DUE: April 19th, 2022 - Noon submittal (12:00 PM PDT), NO CHANGE

The City received three (3) questions about the 2022 On-Call Consulting Services RFQ by March 31, 2022. The consultant question is in **bolded** text and the City's answers follow.

Additional questions and answers submitted to the City prior to April 13, 2022, at 12:00 p.m. PDT will be posted in subsequent posts.

Consultant Question 1: Will the City of Duvall consider On Call Consulting Services RFQ responses for Corrosion Control/Cathodic Protection engineering?

Answer: Corrosion Control/Cathodic Protection engineering is not one of the specialties that the City is looking to fill with this request for qualifications.

Consultant Question 2: Will the City review submittals for the Building Plan Review Inspections and Structural Review specialty for only the plan review portion and not building inspection?

Answer: Duvall's building department is looking for an all-in-one plan review and building inspection on-call contract.

Consultant Question 3: If going after multiple specialties, would you like us to submit separately on each specialty or would you like it all combined into one document?

Answer: Please submit the information in one document, but note in the Cover Letter which specific specialties your firm is applying for. You can submit five pages of information per specialty in the SOQ.
